# Welcome to L S Power Control Home Appliances

L S Power Control has emerged as a noted trader and exporter of a wide range of electrical appliances. We are engaged in manufacturing, trading and exporting a comprehensive range of Electrical Home Appliances. With the assistance of our procuring experts, we are associated with reputed vendors who are checked for their credibility on parameters ranging from their quality standards, economic status to their market repute. We procure finest range of electrical appliances from reputed vendors all across the globe. Backed by a knowledgeable workforce, we effectively cater to the wide requirements of our clients and offer superior quality electrical appliances for commercial and domestic applications.

## Our Strength

We have been able to build a spread out client base for ourselves with the help of our quality range of Home Appliances including Ceiling Fans, Exhaust Fans & Cooler Fans. Besides technical expertise and proficiency in operations, our success is mainly attributed to:

- Quality range
- Reasonable prices
- Timely delivery
- Wide distribution network
- Conforming to ISI standards for safety
- Five star energy saver range of products
